2010-2011 cef Scholarship Application

The Catholic Education Foundation provides scholarships to our families who need assistance with school fees. Please complete the scholarship application and return it as soon as possible. The last date to return is Wednesday, March 31. Scholarship determinations will be mailed to applicants in May 2010. All information will remain confidential. If you have any questions, please contact Mrs. Hillebert at 233-1727. On the back of this form we have printed the free and reduced guidelines to aid you, but please know that in some cases scholarships may be available for those families with special need exceeding the amounts on the chart. **All information listed below must be completed. Please take your time in completing all requested data on this form.**

After completing all the information below return this application to:
