FINANCIAL COMMITMENT FOR CATHOLIC EDUCATION

Dear Parents,

Mater Dei Parish accepts its responsibility to pass on our Catholic Faith by providing a great portion of the cost of educating your child/ren. It is also the responsibility of the Catholic families whose child/ren attend Mater Dei School to financially support our parish by paying their fees and tithing 5% of their gross income to help defray the cost of education.

We are so blessed that our children have the opportunity to receive a Catholic education. Keeping in mind the value of your child/ren's Catholic education, please complete your Stewardship Commitment on the reverse of this sheet. We need your help to continue our parish's legacy of Catholic Education.

A Tithing Chart has been provided below to help you calculate your tithe to Mater Dei Parish. We would expect tithing to be no less than \$100.00 per month. This represents a pledge from a household with a gross income of \$24,000.00.
